One of the great blessings during my 25 tours to Israel has been visiting the beautiful city of Ariel. This unique and special city has a special place in my heart, and I encourage anyone touring Israel to include it in one's itinerary. As I researched the background about Ariel on their website describing the many aspects of it including its founding 40 years ago, the following was written:

"Ariel's biblical roots and spiritual foundations are the source of inspiration. Abraham began his divinely inspired journey to the Land of Israel in the Samarian hills, where he set up his famous tent of hospitality. Joshua, who led the Jews into the Land of Israel following the exodus from Egypt, inherited this land, also known as the hills of Ephraim. He and his pioneering ally Caleb are buried opposite the foot of modern day Ariel."

GOD GAVE THIS LAND OF SAMARIA TO ISRAEL – NEVER TO BE PULLED UP!

"And I will bring again the captivity of my people of Israel, and they shall build the waste cities, and inhabit them, and they shall plant vineyards, and drink the wine thereof; they shall also make gardens, and eat the fruit of them. And I will plant them upon their land, and they shall no more be pulled up out of their land which I have given them, saith the LORD thy God." Amos 9:14-15

TIME OF JACOB'S TROUBLE IS VERY NEAR! A FALSE PEACE! - DON'T DIVIDE THE LAND!

Since August 21, 2017, the last day of the month of AV, many unusual events have occurred that will affect every person on earth. Could these events be coincidences or is God trying to get our attention?

Jeremiah 30:23-24 states: *"Behold the whirlwind of the LORD goeth forth with fury, a continuing whirlwind:... in the latter days he shall consider it."*

During the month of Elul 5777, which began on August 23, right after the Solar Eclipse that crossed America, August 21, 2017, three record hurricanes did massive damage:

1. Hurricane Harvey re-developed on the 1st day of Elul, intensified on the 2nd day of Elul, and then hit Texas!
2. Hurricane Irma arrived in Key West on the 19th day of Elul and then affected the entire state of Florida!
3. Hurricane Maria became a Category 5 and hit Puerto Rico on the 27th day of Elul, President Trump met Prime Minister Netanyahu at the UN, and Netanyahu met with Egypt's president el-Sisi about the "peace process!"

You are encouraged to study and digest the FALL **"PROPHECY NEWS BULLETIN!"** which gives some amazing information that can be very helpful in understanding some of God's ways. The following topics are discussed:

- **TIME OF GREAT TROUBLE!**
- **INTERESTING COINCIDENCES?**
- **UNUSUAL CATASTROPHIC EVENTS!**
- **THE LORD'S LATTER DAYS WARNING!**
- **SOUND THE ALARM & BLOW THE TRUMPET!**

Storm clouds forming over Jerusalem!

Ariel and Israel, we stand with you! Have a wonderful Hanukkah, and may God bless you greatly!

Yours, to bless "Israel,"
