

PEACE FOR ISRAEL

PROPHECY NEWS BULLETIN EXCERPTS!

BY JACK HEINTZ, PRESIDENT

TIME OF GREAT TROUBLE!

This year has been most unusual with events that indicate we possibly are approaching the "time of Jacob's Trouble."

"And these are the words that the LORD spake concerning Israel and concerning Judah. For thus saith the LORD; We have heard a voice of trembling, of fear, and not of peace. Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it."

(Jeremiah 30:4,5,7)

"...there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered,..."
(Daniel 12:1)

INTERESTING COINCIDENCES?

It is very interesting to note certain events that have occurred at the same time that various leaders were involved in the dividing of God's land. Could we be witnessing the importance of Genesis 12:3a: *"And I will bless them that bless thee, and curse him that curseth thee:..."* or could the following events just be "interesting coincidences?"

August 2005 – Hurricane Katrina! On the 17th day of August, the Israeli government began removing over 8,000 settlers from the Gaza Strip. At the same time, Katrina was forming in the Atlantic and became a category one hurricane hitting Florida and then turned into a category four hurricane before hitting the Gulf states. This storm has now been said to be the greatest storm ever to hit the U.S.A. with damage estimated at over \$200 billion. NUMERICAL COINCIDENCES?

It was estimated that approximately 10,000 Jewish people were displaced when removed from the Gaza Strip and some settlements in the West Bank. It also was estimated that about 500,000 Americans were displaced as a result of Hurricane Katrina. An interesting study on proportions was done by Professor Howard B. Rothman concerning the displaced individuals in respect to the population of Israel and America.

10,000 Jews out of a population of 6 million = Percentage of .00167. 500,000 Americans out of a population of 300 million = Percentage of .00167.

UNUSUAL CATASTROPHIC EVENTS!

With recent devastating hurricanes, all in month of Elul, raging fires in California, and the war of words about North Korea, many asking, *"What does the future hold?" "What is the future for Israel, Russia, Iran, and, America? "Is Armageddon near?"*

A "FALSE MESSIAH" WILL ESTABLISH A "FALSE" PEACE COVENANT!

Just before true and lasting peace will come to Israel, a "false messiah" will deceive Israel into believing he is their long awaited savior who will promise *"peace and safety."* For

years, there have been attempts to achieve peace in the Middle East! For more information, see our website at www.peaceforisrael.net.

PEACE AND SAFETY?

"For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and Safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape."
(1Thessalonians 5:2, 3)

Special meetings on the proposed peace process were just held!

Thursday, August 24, 2017 - At the start of the meeting, **Netanyahu** expressed optimism to Kushner. "We have a lot of things to talk about. How to advance **peace, stability and security** in our region - prosperity too - and I think all of them are within our reach," he said. (The Jerusalem Post)

Thursday, August 24, 2017 – **President Trump** wrote the following: "Thank you Prime Minister @b.netanyahu and Jared! Lets advance **#Peace, #Prosperity, and #Security** in the area. There is no doubt that our relationship with you is stronger than ever!..." #USA #Israel (Arutz Sheva 7)

Monday, August 28, 2017 – **UN Secretary-General António Guterres** said: "I dream that I will have a chance to see in the holy land two states able to live in **peace and security.**" (WIN – World Israel News – Video)
