## THERE SHALL BE SIGNS!!!

As we face an unknown future for America and Israel, are there any “signs” that may indicate possible climatic events that soon may occur? In Genesis 1:14, we see that God said that certain events that would occur in the heavens would be for “signs and seasons, and for days, and years.” The Hebrew word for “signs” is “Moed” which means divine appointments. Could some of these unusual events show that the appointed time of “Jacobs Trouble” and Israel’s coming Messiah are about to occur?

*“And God said, Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs, and for seasons, and for days, and years.”* (Genesis 1:14)
